

Dillon Technical Sales, Inc.

Manufacturers' Representatives

- Diodes: Switching, General Purpose, Schottky
- Thyristors: SCRs, Triacs, UJT
- Transistors: General Purpose Switches, Medium Power, Power, High Voltage, Low Frequency, Darlington
- TVS Hermetically Sealed
- Rectifiers: Standard Silicon, Fast Recovery, Super Fast Recovery, Ultra Fast Recovery, Schottky, Bridge, High Efficiency, Schottky Barrier
- Zener Diodes - 10W, 20W, 50W, 75W (Featured product series: 10W and 50W Zener Diodes)
- Custom Modules
- TVS Hermetically Sealed

KEC SEMICONDUCTORS

The World's Premier Semiconductor Company in the 21st Century, KEC

- MOSFETs, JFETs, and BJTs
- Diodes (small signal, band switching, PIN, Varactor, Schottky Barrier, Fast Recovery, TVS, and General Purpose diodes)
- IC products (OP Amps, Comparators, Voltage Stabilizer, Voltage Detectors, Voltage Regulators, Transistor Arrays and Interface Drivers, Power Supply Controllers, Logic MOS, CCFL and LED lighting drivers, Battery protection ICs, DC-DC Controllers)
- Automotive Devices (Alternator Diodes, Surge Absorbers, Solid State Pressure products)
- IGBTs
- Pressure Sensors (all solid-state design)

- Solenoid Products
- Coils
- Custom Stroke and Force Solenoids
- Electromagnets
- Solenoid Pumps
- Electromagnet Pumps
- Shenzhen Yaxin Specializes in the R & D, manufacturing, and sales of Linear Pull Push solenoids, Linear Push Pull & Latching solenoids, Swing / Rotary Solenoids, Electromagnets, Solenoid pumps and solenoid valves.

- State of the Art, Hydrogen Sensing and Analysis.
- Regardless of the industry, H2scan can sense hydrogen down to 15 ppm (parts per million) in almost any type of background gas!

- Mechanical design of plastic components
- Rapid prototyping
- Tool and mold design and creation
- Low- to high-volume manufacturing
- Final product assembly
- Functional test
- Warehousing
- Distribution

Sensors and Systems for temperature, vibration, pressure, flow, water level, and gas content.

- Heat Sinks
- Thermal Solutions
- Custom Heat Transfer Solutions
- Heat Pipes
- BGA Coolers, BGA Heat Sinks, Custom Coolers, RAM Heat Sinks
- Precision Forging Technology
- Advanced thermal solution products since 1986.
- As a responsible company, Malico had established ISO 9001, ISO 14001, RoHS compliance, and business continuity management to support customers with the best.
